THE UNIVERSITY OF ALBERTA BANDS

The history of the bands at the University of Alberta dates back over a period of several years with various organizations functioning under student management and leadership. In 1964 the bands became a fully recognized university club through the dedicated leadership of an active student executive of band members. Through the concerted efforts of this group and its appointed director, Cecil Pretty, the bands acquired a number of instruments, uniforms, and other equipment and an expanded program developed which included a marching band, a concert band, a pop band, and a stage band. These groups functioned with student leadership and the financial support of the University Athletic Board and the Student Union through the summer of 1968.

The bands today are organized under the Department of Music and the leadership of Dr. John Iltis, Chairman of the Wind Instrument Division. This system continues to recognize the function of bands in campus life of the University at large and seeks to provide for the needs of the music and music education students as well. Membership in the various bands numbers over 140 students from all walks of university life, including 27 Bachelor of Music Students and 18 Education Students with majors in music. The bands are quartered in the Student Union Building presently but look forward to the day in 1972-73 when they will move into the new Fine Arts Building Phase One now under construction. This facility will provide for much needed rehearsal, storage, office and practice space. Opportunities for more individualized instruction, section work and small ensemble participation will also be greatly improved.

The 85 piece Concert Band is a very proficient band consisting primarily of students who take band without academic credit. Rehearsing one night per week, its activities include two formal concerts in December and March, plus selected guest appearances in communities and schools surrounding Edmonton. The band, fully instrumented, prides itself on its ability to perform some of the finest in band literature from the most challenging contemporary works and transcriptions to lighter novelties, marches and show tunes. It provides a musical, social and recreational outlet for any student wanting to remain active in band activity with a minimal rehearsal requirement.

The 42 piece Symphonic Wind Ensemble rehearses twice weekly and is open by invitation and audition only. Its membership is comprised primarily of Bachelor of Music students and Education students majoring in music. It gives public concerts and guest appearances much the same as concert band with an emphasis on more serious transcriptions and original works for band. This year the Symphonic Wind Ensemble is touring the Lethbridge Medicine Hat area under the joint sponsorship of the Cultural Development Branch of the Government and The University of Alberta.

The Varsity Pep Band is a smaller group which functions at major University athletic events. Its membership is composed of students from all walks of campus life and include many members of the Concert Band.

The Stage Band functions independently of the Department of Music and is presently directed by Gordon Nicholson, teacher in the Edmonton Public Schools. This group is open on an audition basis and performs for hire as well as publically in concert both on and off campus.

ABOUT THE SOLOIST

Debbie Alpaugh started her clarinet training in Leduc Alberta at the age of twelve. As a student in the school music program there she also studied privately on clarinet with James Campbell, Colin Brady, and John Bus. She has been an active member of the Government Music Workshops in Camrose Alberta for four years serving as both a student and supervisor.

She is presently a second year Bachelor of Music student in the Department of Music studying clarinet with Ernest Dalwood and is playing in Symphonic Wind Ensemble, Cosmopolitan Band, The Edmonton Youth Orchestra and several smaller chamber ensembles.

In 1971 she was recipient of the Edmonton Symphony Society Scholarship for outstanding work on clarinet and high scholastic achievement.
